Dear Lessees & Residents

PLANNED INTERRUPTION OF WATER SERVICE – WEDNESDAY 22ND DECEMBER 2021

A leak has been identified on the main incoming water supply for St Paul's Court. It is unfortunately a significant leak and cannot be left as it is at present.

Arrangements have therefore been made for the pipe to be repaired on Wednesday 22nd December and the mains water will be shut off from 10am for approximately 5-hours.

We are sorry for any inconvenience this interruption of supply may cause but we feel it better to do the work in a planned fashion now rather than on an emergency basis at a later time

Please could you ensure that:

- Every tap in your house is closed off before you leave in the morning.
- You do not run any appliances such as washing machines or dishwashers
- You make your own arrangements prior to 10am for storage of sufficient water supplies for your household for a five-hour period.

Thank you for your cooperation
